

When Jesus Gets in Your Boat
Luke 5:4-11

Jesus is going to teach Peter that obedience is better than sacrifice.

Three important lessons about obedience.

1. Obedience isn't always logical. VV. 4-7

You can't always reason your way from A to B.

2. Obedience affects us and those around us. VV. 8-11

In one act of obedience Peter experienced the power of God, and it changed his life forever.

Peter was the key for James' and John's obedience.

3. Obedience is always rewarded. VV. 6, 10

Peter got a lot of fish. V. 6

Often the reward is a clear conscience.

Peter got a larger call. V. 10

4. Conclusion

It's time to do something with what you know.
