Who was the greatest person that ever lived?

Whoever you picked . . . experienced uncertainty.

- Uncertainty comes from experiencing loss.
- Uncertainty comes when your motives and actions are called into question.
- Uncertainty comes in the face of threat or violence.
- Uncertainty comes when your beliefs are not respected.

What is the answer for our uncertainty?

- Consider the works of Jesus.
- Consider the words of Jesus.
- Consider the witness of Jesus.
- Consider the wisdom of Jesus.
