

God Has a Message for You: Hosea

Hosea is both a literal story and a symbolic story.

- 1) Hosea represents Jesus.
- 2) Gomer represents Israel.
- 3) Gomer represents us when we first come to Christ.
- 4) Gomer represents us when we have fallen away and Christ comes for us to take us back.

There is a New Testament parable which is a theological equivalent—The Prodigal Son.

Applications:

- Whoever you are, you can come to Christ today and be saved.
- No matter what you have done or how far you have run, Jesus will take you back.

The greatest love story ever is found in how much Jesus loves us.
